

Microsoft Dynamics® NAV support – 24 hours a day, 365 days a year

Business Critical Support from Technology Management

If your business operates outside standard support hours, Business Critical Support can prove essential in meeting the deadlines and SLAs you have in place with customers and suppliers.

Technology Management provides seamless, round-the-clock support from our UK-based support centre.

BUSINESS CRITICAL SUPPORT 24 hours - 365 days a year

- Microsoft Dynamics NAV system down
- Systems supported by Technology Management down, such as:
 - EDI system down
 - Failure of mobile warehouse devices.

Business Critical Support – support when you need it the most

Why choose Technology Management to support your business?

Our 24/7 365 helpline is staffed by the same core support team who understand the issues your users encounter, the nature of your organisation and its critical business challenges.

This reduces down-time as they are better equipped to find an interim solution to your problem while they work on a permanent resolution.

Benefit from:

- the expertise of one of the largest dedicated support teams amongst Microsoft Dynamics NAV partners
- a UK-based support centre
- our team of NAV certified IT professionals
- a guaranteed 1 hour response time
- support from the people who know your systems.
